

14th February 2019

REF: MGI/DBA/DMA

Dear Parents,

The second mock examination period is fast approaching, with the official GCSE examinations not far behind, and it is crucial that every learning opportunity is maximized to ensure that your child makes as much academic progress as possible.

Therefore, Central Academy will be holding revision/study sessions during the February half-term, where students will have the opportunity to engage in additional lessons led by subject teachers. The timetable for these sessions is attached.

During these sessions students will be required to sign in and out at the school reception. Uniform is not necessary, but all clothing must be appropriate. For any student attending revision/study sessions in both the morning and afternoon, a complimentary lunch will be provided.

Kind Regards,

Mercideze Gilbert- Barrow
 Head of Year 11
